Dr. Seaman Delighted With Progress of Town, Hospital

Dr. Lauren L. Seaman, who spoke at a recent Youth For Christ meeting in Didsbury, and a former medical doctor here before going to the mission field in Africa, has written an interesting letter to the editor, particularly on the hospital question, which will be of interest to many of our readers.

We quote from Dr. Seaman's letter:

"It was a short, but definite pleasure to meet at least a few of the friends of former days, and to speak twice to the audience at the tabernacle. The Mayor, Mr. Lynch-Stanton, very kindly showed me the water and sewer projects, and the hospital. It was certainly a stimulus to see the progress everywhere evident in the town since we left five and a half years ago. I was especially interested in the hospital, for the late Dr. Clarke, the nurses and myself, had the privilege of drawing the plans of what we thought would be the most efficient working arrangement to submit to the architects. I was delighted to see how well it had worked out in the actual building, and to see the hospital so well equipped. The community certainly owes a debt of gratitude also to Dr. Clarke for his energy and persistence in initiating and promoting the establishment of the hospital district at the time, thus saving so many thousands of dollars because of the greatly increased building costs now."

Dr. Seaman was high in his praise for the present hospital plan in Alberta and says, "The Alberta plan is well worth imitating by any state or province interested in the inauguration of such."

In concluding Dr. Seaman has written: "My family left Victoria, B.C. with me June 11, on our way to Chicago, Ill., where we expect to do some post-graduate work in medicine. We expect to reach there sometime in July, continuing our visits in churches in Montana and North and South Dakota, enroute, representing the foreign mission work of the Church of the Nazarene. We will notify you of change of address after arrival there."

ZELLA NEWS

Lewis Reis returned last Saturday from Eastern Canada where he attended the world's Trade Fair. He visited with his grandmother and other relatives at Potsosky, Mich., U.S.A. before returning home.

Mr. and Mrs. Harry Stauffer and family of Toftield, Alta., were weekend visitors with Mr. and Mrs. L. Reis.

Keen Competition In Crow, Magpie Contest

Competition is keen for the special prize of a complete fishing outfit, donated by D.N. McDonald & Son to the boy or girl turning in the most crow and magpie feet during the current campaign being conducted by the Didsbury Fish and Game Association. On Monday the chairman of the Predator Control Committee, E. B. Grange, announced that three competitors have each turned in over 1200 pair of crow and magpie feet. Donnie Krebs is leading with 1296 pair. Sandra Wood is second with 1260 pair and Leslie Goetjen is third with 1225 pair.

While the total number of crow and magpie feet turned in so far during the campaign has not been tabulated, Mr. Grange is confident that the Association has passed last year's total of 54000.

Besides the special prize of a fishing outfit, the boys and girls are receiving five cents per pair for all crow and magpie feet turned in, and they are also competing for three special prizes offered by the Fish and Game Association.

Didsbury Flyers Win From Calgary Clippers

Monday night the visiting team at the local diamond was the Canadian Income Tax Clippers. A good crowd was on hand to see the Didsbury girls race their fifth straight victory. The "Clippers" were a stronger team than the previous Calgary team to appear here, and threatened on several occasions to have a big inning. The Flyers were short three regular players but the replacements gave their best to uphold the home team.

With the Calgary opposition strengthening each game, some close contests are expected in the very near future.

Krebs, Goetjen, St. Clair, Fox and Dupont were the leading hitters for the Flyers.

Calgary — Grier, Lamont, Adie, Kelly, Burkiyone, Popella, Schrader, Wilde, Holt.

Flyers—Fox, A. Wood, Folkman, St. Clair, Goetjen, Krebs, Dageforde, Bagshaw, Dupont, S. Wood.

The Flyers will play at Olds on July 1, at Calgary July 3, and at Crossfield July 5.

Home Economics Classes Display Season's Creations

In Spring a young man's fancy turns to love, while a woman's turns to fashion.

The show which occurred in Didsbury, Friday, June 9, especially to later, when the Home Economics Classes of Grades 7 to 10 inclusive held their second annual fashion show.

Grade 7 opened the show before a large gathering of enthusiastic students and spectators with advanced work in the sewing of skirts, blouses and dresses made from commercial patterns.

Grade 8 followed with splendid work in dresses, skirts and coats. A short intermission was conveniently filled in with a house-coat parade.

Grade 9 provided an excellent display of summer dresses and square-dance skirts, slacks and shorts were on the go also.

This was followed by another very interesting display, illustrating the old and new in bride and groom costumes provided by obliging participants.

Grade 10 continued the show with an engrossing display of summer wear, cotton skirts, sun dresses and blouses.

Grade 11 conveniently brought a conclusion to the modelling with dresses, skirts, blouses, shorts and sundresses, all very well done.

The Grade 10 and 11 girls then served a delicious lunch in a blue and apple blossom tent.

For each enjoyable afternoon is extended to the industrious working and good management of Mrs. Klimmt, the Didsbury Home Economics teacher.

The boys, Grades 7 to 11 inclus-

ive, under the supervision of Mr. Hoover, instructed in Industrial Arts, were given much encouragement to paint parents and friends in further undertakings.

Last, but not least, were the enjoyable little remarks made by Miss Fay Prevost in her task of commenting.

A fine display of handicraft, leather work and fancy work and knitting was shown.

Participants in the fashion show were:

Grade 7—Evelyn Wilkins, Viola McNaughton, Betty Gillis, Marlene Miller, Marlene Klaenker, Wanda Klaenker, Gwen Brada, Valeta Watson, Marion Diekau, Irma Jans, Pat Halliday.

Grade 8—Loretta Reiffenstein, Beverly Wiggins, Alta Mae Oke, Shirley Bales, Helen Bales, Alice Jones, Shirley Janzen, Jacqueline McCaffrin, Nadine Sherick, Marjorie Neave.

Grade 9—Adrienne Scheidt, Twila McCoy, Helen Bales, Jeannine Krueger, Bertha Jans, Ruth Gole, Esther Neufeld, Violet Ginther, Rose Benner, Norma Scheuer, Mary Ann Wilson, Lillian Miller, Florene Gilson.

Makes Plane Trip From England In A Few Hours

Mrs. P.R. Dawkins, who arrived recently from Salisbury, England, to visit for the next four months with her parents, Mr. and Mrs. A. R. Kendrick, reports an uneventful trip by plane. She left London at 9:45 p.m. and arrived in Montreal the next day at 2:15 p.m. Leaving Montreal at 9:45 p.m. Monday, she arrived in Calgary at 7:05 a.m. on Tuesday, when she was met by her parents and brother Murray, of Regina. Murray visited in Didsbury on holiday until Sunday, when he motored back to Regina.

Services In Calgary For Jas. H. Glockzin

Services are keen for the special prize of a complete fishing outfit, donated by D.N. McDonald & Son to the boy or girl turning in the most crow and magpie feet during the current campaign being conducted by the Didsbury Fish and Game Association. On Monday the chairman of the Predator Control Committee, E. B. Grange, announced that three competitors have each turned in over 1200 pair of crow and magpie feet. Donnie Krebs is leading with 1296 pair and Sandra Wood is second with 1260 pair and Leslie Goetjen is third with 1225 pair.

While the total number of crow and magpie feet turned in so far during the campaign has not been tabulated, Mr. Grange is confident that the Association has passed last year's total of 54000.

Besides the special prize of a fishing outfit, the boys and girls are receiving five cents per pair for all crow and magpie feet turned in, and they are also competing for three special prizes offered by the Fish and Game Association.

Mr. Glockzin purchased the store business from Mr. H. Hawkes in 1946 and operated the business for about a year and a half before selling out to Walter K. Snyder. Owing to ill health, Mr. Snyder discontinued the business only seven months and then Mr. Glockzin repurchased the business, later selling to Mr. Soley, the present proprietor. Mr. Glockzin then moved with his family to Calgary, and later to Coronation where he took over a store.

An ardent sportsman, Mr. Glockzin took an active part in hockey, baseball and curling.

He is survived by his wife, Esther, a daughter, Lovemy, both of Coronation; his mother, Mrs. Mrs. Arthur Button of Victoria, B.C., and Mrs. Clifford McGill of Camrose, Alta., and a brother, Buster, in Edmonton.

Funeral services were conducted from Leyden's Chapel of Remembrance in Calgary on Monday, June 26, at 1 p.m., with Rev. A. A. Lytle officiating. The remains were cremated in the Calgary Crematorium.

WEST NEWS NOTES

Mr. and Mrs. Glen Thompson spent the weekend with the form of parents.

Mrs. Arnold Hogg returned Sunday after spending a week in Calgary.

The Flyers will play at Olds on July 1, at Calgary July 3, and at Crossfield July 5.

Krebs, Goetjen, St. Clair, Fox and Dupont were the leading hitters for the Flyers.

Calgary — Grier, Lamont, Adie, Kelly, Burkiyone, Popella, Schrader, Wilde, Holt.

Flyers—Fox, A. Wood, Folkman, St. Clair, Goetjen, Krebs, Dageforde, Bagshaw, Dupont, S. Wood.

The Flyers will play at Olds on July 1, at Calgary July 3, and at Crossfield July 5.

Wedding News

CLARKE-ELLIOTT

A quiet wedding was solemnized at Olds June 16, when Evelyn Isobel, third eldest daughter of Mr. and Mrs. Samuel Elliott of Didsbury, became the bride of Mr. George T. Clarke, eldest son of Mr. and Mrs. George Clarke, also of Didsbury.

Rev. Moss officiated and the attendants were Miss Joy Mary Elliott, sister of the bride, and Mr. James Edward Clarke, brother of the groom.

The bride was dressed in yellow with a shawl length veil and corsage of pink carnations, while the bridesmaid wore pink sheer with shoulder-length veil and corsage of American Beauty roses.

The bride's mother wore a green rayon crepe dress trimmed with gold sequins, and her corsage was of Red American roses. The groom's mother wore a flowered jersey and crepe dress with Red American roses.

Following the ceremony a reception was held at the groom's home for immediate family members, and the bride and groom's table was centered with a three-tiered wedding cake which was tastefully decorated. The living room was decorated with pink and white streamers and vases of lilies. A large white bell centered the room.

Mr. Richard Duquette proposed the bridal toast, to which the

groom fittingly responded.

A wedding dance was held at Long Pine Hall in the evening, when a very large crowd attended. The happy couple left for a short honeymoon and on returning will reside east of Didsbury.

BROADHURST-COGSWELL

Three o'clock in the afternoon of June 16 was the hour chosen for her marriage by Barbara Jean Cogswell, daughter of Mr. and Mrs. E. Cogswell of Didsbury, who became the bride of William A. Broadhurst, son of the late Mr. and Mrs. A. Broadhurst of Didsbury, at a double-ring ceremony performed in the Evangelical Church of Didsbury.

To an altar bidden with mauve and white lilies and ferns, the bride was escorted by her father, who gave her in marriage.

Her bridal gown of white frosty satin featured a full bodice and long sleeves, and her floor-length veil of illusion net cascaded from a halo headdress. Her only jewellery was the groom's gift of a double strand of pearls and earrings to match, and she carried a bouquet of red roses.

A full-skirted frock of pink taffeta was worn by Miss Velma Janzen, who was the bride's only attendant. She complemented her ensemble with matching headdress and chapel veil, and carried a bouquet of pink carnations.

Douglas Broadhurst was groomsman for his brother, and the guests were ushered by Edward Irwin and Walter Scheidt. Mrs. Walter McLean played the wedding music and Mrs. Harold Feeg sang "Dearest Of All" during the signing of the register.

Following the church rites a reception was held in the basement of the church, which was beautifully decorated with white bells and summer flowers. White and mauve lilies were arranged on the tables, which were centered with a three-tiered wedding cake. Assisting in serving the guests were the Misses Wilmifred Broadhurst, Alice Glinther, Adrienne Scheidt and Verla Irwin.

Following the reception the bridal couple motored to Banff where they will spend their honeymoon. The bride travelled in a teal blue suit with white accessories, and topped with a coral shorthair coat. Upon their return the couple will take up residence in Didsbury.

TREE PLANTING

This spring a total of 180,000 trees were planted from the Olds to Peace River area under the provincial government's tree planting demonstration plan. Two mechanical planters were used and farmstead planting, field shelter-belts, and roadside plantings were all demonstrated with half the total taking the form of roadside plantings. Hon. D.A. Ure, minister of Agriculture, said the department and individual plantings this spring in Alberta totalled approximately 14 million trees.

WESTCOTT NEWS

(Last Week)

Miss Evelyn Goetjen, Mr. Ray Baudistel and Mr. David O'Neil of Vancouver, who have been visiting in the Garfield and Carstairs districts, spent Saturday visiting with Miss Goetjen's brother, Herbert, and family.

The executive of the Westcott Community Club held its last meeting of the year at the home of Mr. and Mrs. Herbert Goetjen on Thursday evening last and all members except one were present. The meeting was brought to order by the president, Mr. Alf Baudistel, and the usual procedure took place followed by the planning of the activities for the summer and a picnic or sports day is in the offing for later on in the summer. Plans were made for the dance to be held after the school picnic the day school closes. Lunch was served at the conclusion of the meeting.

Mr. and Mrs. Herbert Goetjen were among those who attended the Chamber of Commerce dinner at Olds on Friday evening last when the minister of municipal affairs, Mr. Gerhart, was present to explain his County System.

Miss Goetjen's relatives and relatives enjoyed a picnic supper west of Cremona on the Red Deer River on Sunday evening.

A service to commemorate the closing of St. Paul's Lutheran Church at Westcott was held on Sunday last with a very good crowd in attendance.

Mrs. C. Reischl spent a couple of days at work visiting friends around Cremona and district.

The Grade 8's and 9's were dismissed from school yesterday at Westcott as the higher grades get prepared for the exams which will take place next week. The very best of luck to all of you, especially to the Grade IX students.

Neil Folkman, Donald Kornreich and Raymond Vipond. Over a long period of years there has not been a failure in the Grade IX exam in this school, which indeed is a credit to our fine teachers.

Mr. Wilbert Bersch has recovered sufficiently to again be at work and has laid up with the flu all of last week.

Mr. and Mrs. Gordon Ford and Elizabeth, and the Milt and Carstairs, were seen picnicing at the Red Deer on Sunday.

The census taken in the United States in April is likely to show the population at that date to have reached a total of 152,200,000, according to recent estimates.

STREET GRAVELLING PROJECTS COMMENDABLE

Both the Town of Olds and the Town of Three Hills have been conducting energetic street graveling projects the past week and under the set-up the Town has provided gasoline for trucks, meals for the workers and incidental expenses, while the truckers and farmers have provided trucks, and business men have worked or donated cash to pay day laborers. In this way the streets of both towns will all be gravelled, and at a moderate cost.

In both Olds and Three Hills the need for graveling streets followed the installation of water and sewer systems, and since farmers as well as truckers were using the town streets, the plan was accepted by all concerned and there has been little difficulty in getting trucks and help to complete the projects.

The graveling of the streets of our neighboring towns under the co-operative basis is a commendable undertaking and shows what can be accomplished with a little planning and initiative.

Next summer the Didsbury streets will have to be gravelled, following completion of the Town water and sewer systems, and a project similar to that now being conducted in Olds and Three Hills could be organized here.

THE RAINS CAME

"Nature is wonderful and the blessing of the Almighty God is the greatest satisfying element of the human universe." These are the thoughts expressed by a local citizen while referring to the copious rains which fell for three days last week, bringing new hope to farmers who had almost given up prospects of a crop this year due to lack of moisture.

Now, however, the entire picture has changed, and while crops have no doubt deteriorated, new hope has been instilled into the hearts of our people throughout the farming areas, and if normal conditions will prevail during the balance of the growing season there will be a crop this fall, feed for the many dairy and beef cattle on our ranges, and a good living for everyone who wants to work for it.

Yes, nature is wonderful, and the blessing of the Almighty God is indeed the greatest satisfying element of the human universe.

Notes From The D.A.

(By Hugh McPhail)

CUTWORMS

Red Back Cutworms are doing more than ordinary damage this year in gardens, and also in fields. One field south west of Didsbury has been cleaned out by this pest. Damage is being done in a great many fields. A farmer north west of Olds feels the loss of over 200 acres. The reason the pest is so serious this year, I believe, is the result of the very dry conditions last summer.

One cultural control method suggested is not to touch your land from the first of August until the middle of September, or when the moths are laying the eggs. They lay in the loose soil. Usually there is enough rain to form a crust on the fields and this prevents the moth laying eggs there. Last year in most cases no crop was formed, hence the presence of cutworms this year.

APHIDS

There is a great number and variety of Aphids. We have had a great number of them on our loops this year. Manitoba Maples, Elms, and Dogwood are very susceptible to this variety. Poplars are seriously attacked this year also. Where people can secure the use of a warble machine which has a force of 3 to 4 pounds pressure, trees can be treated quickly and efficiently.

Nicotine Sulphate—A highly concentrated solution, containing 40 per cent of nicotine sulphate, is now on market and is generally used.

Formula for spraying:

Nicotine sulphate, $\frac{1}{2}$ pint.
 Laundry soap, 2 pounds.
 Water, 40 gallons.

ANTS

Ants can best be controlled by fumigation. Carbon Bisulphide which can be purchased in liquid form from your druggist, is effective.

Poke a few holes from three to four inches deep near the Ant nest and pour a little Carbon Bisulphide into each hole. The holes are then covered and the evaporating gas penetrates and kills the ants. Another way to destroy ants is to scatter DDT. Pyrethrum, or a combination of the two, where the ants are thickest.

WEDDINGS

BY RADANT

The United Missionary Church was the scene of a wedding ceremony on June 8, when Miss Ruth Frieda Radant, eldest daughter of Mr. Albert Radant of Kelowna, B.C., and the late Mrs. Radant, became the bride of Mr. Clinton Lowell Eby, youngest son of Mr. Samuel Eby of Didsbury, Alberta.

Rev. Arthur Eby, oldest brother of the groom, officiated at the single ring ceremony, in which the bride was given away by her father.

For her wedding Miss Radant chose a traditionally white satin gown, lovely in its graceful lines and long train. Her long ample veil was gathered at a halo effect headpiece. She carried a bouquet of red roses.

Ruth was attended by two bridesmaids: her sister Elfrieda Radant, and an intimate friend June Steeves. Elfrieda wore a light green taffeta floor-length gown. She carried pink daisies, and also wore a coronet of pink daisies. June wore a pink taffeta gown and carried blue daisies and wore a coronet of blue daisies. Little Miss Gail Eby was lovely as the flower girl.

The groom was attended by Mr. Theodore Plato of Alask, Sask., and by Alfred Radant, brother of the bride. Mr. Kenneth Sherick and Mr. Edward Archer were the ushers.

The bride entered the church on her father's arm to the strains of Lohengrin's Wedding March played by Mrs. Arthur Eby. Before the vows were taken Rev. C.J. Hallman of Edmonton sang "Wedding Prayer," while the bride and groom were kneeling. The wedding party left the church to the strains of Mendelssohn's Wedding March.

A reception for about fifty guests was held at the Mel Shantz farm where Rev. and Mrs. Arthur Eby are residing at the present time. Mr. Wm. D. Amund was master of ceremonies. Guests were all comfortably seated at tables enjoyed a delicious plate luncheon.

Ruth and Clinton received many beautiful and useful gifts, among which were two lovely soft woolen bed throws and two chenille bed-spreads; also silver pieces, chinaware, etc.

The happy couple left for their honeymoon to Banff, wearing twin suits of skipper blue. The bride wore a pink hat and gloves, white shoes, and carried a white purse. After a brief stay at Banff and a short call at Didsbury the happy couple will make their home at Acadia Valley, Alberta.

Out of town guests at the wedding were Mr. and Mrs. Reinhardt, father and mother of the bride of Kelowna, B.C., Elfrieda Radant, sister of the bride of Kelowna, B.C., and Mr. and Mrs. Reinhardt and Alfred Radant of Calgary. Mr. and Mrs. Paul Swan, Winfield, B.C., Mr. and Mrs. Freed of Olds, Alberta, and Mr. and Mrs. C.J. Hallman, Edmonton. Mr. and Mrs. John Neilson, also of Edmonton, and Mrs. Olga Neilson of Calgary.

LUFT-BORTON

The Cremona United Church was the setting for a pretty wedding on Saturday, June 17, when Thelma Margaret, daughter of Mr. and Mrs. G.C. Luft of Cremona, was united in marriage to Kenneth Jack Borton, son of Mrs. E. Borton of Bottrel.

Rev. Pybus of Carstairs officiated at the nuptials.

The bride entered the church on her father's arm to the strains of the Wedding March played by Mrs. Gordon Reid. She wore a floor-length white satin gown with a sweetheart neckline trimmed with beaded sequins, and carried a bouquet of pink roses.

The groom, attended the bride and she wore a floor-length mauve gown. She carried a bouquet of yellow carnations.

Miss Audrey Luft, youngest sister of the bride, was flower girl. She wore a floor-length yellow gown and carried a nosegay bouquet.

The best man was Douglas Rodgers, and the guests were ushered to their seats by Jim Luft and Bill Borton.

During the signing of the register, Mrs. Norman Eby sang "O Promise Me."

A reception for forty guests was held at the home of the bride's parents following the ceremony.

Messages of congratulations were received from relatives in Ontario.

Following a short honeymoon the happy couple will reside in the Bottrel district.

Rt. Hon. J. G. Gardiner states that the flooded areas of Manitoba farm land can qualify for grants under the P.F.A. Act.

a big difference!"

There's going to be a new factory out on River Road. It will make a big difference to the town — another payroll, more jobs, more opportunity, more business for merchants.

When the local bank manager was asked for facts about the town as a possible factory site, he got them fast. After a while things worked out.

Now the town has a new industry. The bank manager has a new customer. Soon he will be servicing the factory's payrolls, extending seasonal credit, making collections, supplying market information . . . doing all the things a local bank manager is trained to do.

It is a part of his job to help his community grow.

HAIL Struck Here

These are the areas in Alberta that were raked by hail last year. If you escaped, it was a stroke of luck. If you were covered, you were justified. TAKE NO CHANCES THIS YEAR.

YOU CAN'T DEPEND ON LUCK
 Anybody can be hit — last year, 10,000 square miles in the Districts and the City of Edmonton were hit by hail. Take out a risk-free insurance and be a winner. Work with your agent. You are saving only 100 per cent.

NO COST IS OBSTACLE
 The insurance premium is based on your frequency of hail in your district. One year, you're certain to be hit. Next year, or the year after, you may not be. Our adjusters, claim agents, and claims examiners are here to help you. Guess what? Elements try to outwit you. The self-plan is often the best plan. It's a plan that insures consistently year by year. Your premium can return all your premiums.

FRUIT NEWS

STRAWBERRIES The first shipments of B.C. Strawberries arrived on the market this week and car lot shipments should commence next week. Prices are expected to be slightly higher than last year, due to increased cost of production, and also the heavy demand from canneries and jam manufacturers for supplies. If weather conditions remain favorable and floods do not interfere with transportation, supplies should be fairly plentiful, but we would advise, if you plan on preserving Strawberries, to secure your requirements whenever good fruit is available.

APRICOTS Due to the very severe weather in B.C. last winter the Apricot crop is not expected to be over 5 per cent of last year's crop and will probably all go to the canneries. Supplies for canning this year are being shipped in from California and will be available for the next two weeks. Prices are not expected to be any lower this season and if you plan on canning Apricots we would advise you not to wait for B.C. Apricots but to secure your requirements while they are available.

BERGEN NOTES

June being the traditional month for weddings in this district, with three weddings and one silver wedding within a week.

On Wednesday, June 14, Miss Lois Andrews, eldest daughter of Mr. and Mrs. Fred Andrews, became the bride of Mr. Henry Nielsen, only son of Mr. and Mrs. Pete Nielsen. The happy couple will reside on the groom's farm here.

The marriage of Miss Betty Erickson, only daughter of Mr. and Mrs. Erling Erickson of Bergen and Mr. Don Turnbull of Lethbridge, took place in Olds on June 17. A reception for 30 guests was held at the home of the bride's aunt and uncle, Mr. and Mrs. Chas Erickson of Bergen. Mr. and Mrs. Turnbull will make their home in Lethbridge.

Miss Janice Baughman, youngest daughter of Mrs. Doris Baughman, became the bride of Mr. James Haug, youngest son of John Haug, all of Bergen, on Monday, June 19. The happy couple will reside here on the groom's farm.

Mr. and Mrs. Endrid Mjolsness celebrated their silver wedding anniversary on Sunday, June 18, when they were at home to a number of friends and relatives. A picnic lunch was enjoyed in the afternoon, and in the evening a number of guests called. Guests from a distance included Mrs. Esther Clemens, Mr. and Mrs. Paul and daughter, Mrs. Hilda Mjolsness, Mrs. Eleanor Link and Paul of Edmonton, Mr. and Mrs. Ed Samuels and son of Red Dees and Mr. and Mrs. Harold Erickson of Elton, as well as many friends and relatives from the Sundre district.

Mr. and Mrs. Joe Haug of Stettler visited over the weekend while here for the Baughman-Haug wedding.

Mr. and Mrs. Arnold Mikelson and Mrs. Mikelson Sr. of Portland, Oregon, have been visiting in the district for the past few days. They have been guests of Mr. and Mrs. S. Sande. The Mikelson family were among the first settlers in the district and left here thirty years ago to make their home in the U.S.A. They saw quite a change in the country since they left but found a surprising number of old timers still here.

IT'S A BALK WHEN -- --

Baseball fans perplexed by the ruling on balks, may be happy to know—if there's a runner, or runners on base, it's a ball; when:

A. The pitcher, while touching his plate makes any motion naturally associated with his pitch and fails to make such delivery.

B. The pitcher, while touching his plate feints a throw to first base and fails to complete the throw.

C. The pitcher, in delivering position, fails to step directly toward a base before throwing to that base.

The pitcher, while on the pitcher's plate throws, or feints a throw to an unoccupied base, except for the purpose of making a play.

E. The pitcher delivers the ball to the batter while his pivot foot is back of, or not in contact with, the pitcher's plate.

F. The pitcher delivers the ball to the batter while he is not facing the batter.

G. The pitcher makes any motion naturally associated with his pitch while he is not touching the plate.

pitcher's plate.

H. The pitcher unnecessarily delays the game.

I. The pitcher delivers the ball, stands on or aside the pitcher's plate and feints a pitch.

J. The pitcher, after coming to his set position removes one hand from the ball other than in an actual pitch, or in throwing to a base.

K. The pitcher, while touching his plate accidentally or intentionally drops the ball.

L. The pitcher delivers the pitch from 'set position' without coming to a stop of one half second.

PENALTY

The ball is dead, and each runner advances one base without liability to be put out—Rocky Mountain House Mountaineer.

RURAL ELECTRIFICATION

Twinkle, twinkle, little light,
They turned our hydro on tonight!
Every room and every hall,
Cellar, attic, barn and all
Are blazing, dazzling bright.

Gather, every coal oil light,
Quickly stow them out of sight—
Put them in the cellar drear
To gather cob-webs year on year;
Keep them for their old time right.

Stormy, stormy grows the night—
Dimmer grows our hydro light,
Then suddenly all is dark—
Not a glimmer, not a spark.
We stumble round in gloom and fright.

To the cellar cold and damp,
Try to find a coal oil lamp;

Light it quickly, bring it here;
Careful! don't you drop it, dear!
Trusty, faithful coal oil lamp!

Farmers in the flood stricken areas of Manitoba have a double job on their hands: they must clear up the wreckage in their homes and they must get started on their seeding as soon as possible. Both are back-breaking jobs but the Manitoba Flood Relief Fund is attempting to help by supplying money that will help in the replacement of lost or damaged furniture, clothing or other personal effects. This scene on the farm of Alidge Sabourin, south of St. Jean Baptiste, Manitoba, shows typical damage. From left to right are: Roland Sabourin, Fund committee member; Leona Sabourin and Mrs. Alidge Sabourin, daughter and wife respectively of the farm owner; his son, Leon; H. W. Manning, general chairman of the Fund; and Andre Sabourin, another son of the farm owner. Mr. Manning is explaining how the Manitoba Flood Relief Fund information forms should be completed. He and other Fund officials visited the stricken areas of southern Manitoba to obtain first hand information about the needs of the flood victims. Contributions may be sent direct to the Fund in Winnipeg or to any branch of a Canadian bank.
